

Athletic Uniform Care Instructions and Contract

Athletic uniforms are loaned out at the beginning of each season and will be returned to MBS Athletic Department at the end of each season. (A return date will be determined and all uniforms must be signed back in on this date).

All uniforms must be properly handled while washing and drying so the uniforms will last for several years. Failure to do so may result in paying for a replacement.

Please use these instructions while washing/drying:

- Do not use detergent with bleach
- Follow washing instructions on labels
- Wash uniforms inside out
- Hand-dry uniforms
- Do not alter the appearance of the game jersey or game shorts. If it does not fit properly, it will be swapped out.

Any alterations without the consent of the MBS Athletic Director, Christine Rabalais, will result in paying full price for the replacement.

If at any time during the fall sports season any jersey or pants/shorts have a defect, please report it to the athletic department immediately.

My child, _____, is participating in the sport of _____ and has been issued a uniform from MBS Athletic Department. I understand at the end of this season the uniform is to be returned in the same condition it was loaned to my child. I agree to turn the uniform in, in the same condition it was loaned to my child, on the designated uniform return day.
